REMINDER: The Center's sickness policy is as follows: Children are required to be symptom free, without fever reducing medication for 24 hours when they have been sent home ill. Children sent home due to illness must remain home the following day. Please help us reduce the amount of germs by adhering to our policy—Thanks!

***Pink Eye (conjunctivitis)** Infection of the membrane lining the eyelids.

****Influenza** - Also called the flu, is a common viral infection of the lungs and airways. It can cause congestion, fever, body aches, and other symptoms.
